If the fencer is planning to go to tournaments, they must purchase a Competitive Membership. Competitive Memberships can be purchased through the OFA website . Each is valid for one year ending October 1st of the next year.

Basic Club Memberships cannot be be purchased online and must be purchased through the CFA. So for beginner fencers, the CFF (\$10) and OFA (\$5) memberships (\$15 total) must be paid at the first beginner's class.

Any club member who does not have both a CFF and OFA membership will not be permitted to fence. It is through these memberships that our club receives liability insurance coverage.
